

Tidyverse developer day bingo

Welcome to tidyverse developer day! To help get to know each other, we'll start the day off with some bingo. It will go like this:

- Mingle and find people who match the descriptions on your card.
- When you find a match, write the person's name in the corresponding square. (Only one square per person!)
- The goal is to fill as many squares as possible. If you're the first to fill in the whole card, come and find Simon to be crowned the winner!

Added a “dad joke” practice PR Name: _____	Attended a workshop at conf Name: _____	Has a hex sticker on their laptop Name: _____	Knows what “CRAN” stands for Name: _____
Maintains an R package Name: _____	Has participated in TidyTuesday Name: _____	First time visiting Seattle Name: _____	Knows the three rules defining “tidy” data Name: _____
This year was their first posit::conf() Name: _____	Migrated to R from another language Name: _____	Has installed a package from GitHub Name: _____	Has reported a bug in an R package Name: _____
Has made a Shiny app Name: _____	Has been to a useR! before Name: _____	Has Positron installed Name: _____	Uses ggplot2 at work weekly Name: _____
